Course Description:

This course is designed for teachers to take materials gained from the Kansas Business Education Association Conference and create lesson plans to incorporate it into the courses.

Course Objectives:

At the end of the course, students will be able to:

- Analyze new course materials and/or teaching methods to better enhance their course instruction.
- Illustrate these new materials by incorporating them into their course lesson plans.
- Select the best practices for their specific course settings.

Textbook/Materials:

There are no textbooks for this course.

Content Outline:

- You will be required to attend one session in each of the time slots of the conference starting with the 8:30 a.m. Interactive Session A. Note on each time slot (except for A) there are two Breakout Sessions for each Interactive Session.
- You will need to write a **one** page paper giving a synopsis of **all** the sessions you attended. This paper will need to include who the presenter was, what was covered in the session, and what you gained from the session.

- You will need to do a separate lesson plan on how you will implement the session material in your courses. You will need to do a separate lesson plan for EACH session.

Assessment: (Please attach rubrics)
